# WORKING TRADE SHOW

## ORCA Working Trade Show

Bob Pope, ORCA Executive Director

The 2022 Working Trade Show will be back in the Voinovich Building at the Ohio Expo Center in Columbus. ORCA has created a new and unique layout to go along with the cement floors to allow vendors to bring in equipment and products and hold continuous demonstrations, contests, or anything else they conjure up to let the Roofing Contractor work right alongside them to have a real “get your hands dirty” experience.

**Roofing Contractors, Architects, Engineers and Consultants are FREE to attend**, making your exhibitor fees and sponsorships the only income that supports this show, so we are making it all about you! Vendors will be provided

you with an unlimited number of complimentary tickets to the Expo and you can distribute them to any Contractors you choose. As always, there will be free food and beverages on the Expo Floor, so attendees never have to go far to grab a bite and get right back to what they were doing.

**NEW THIS YEAR** we will have a Designated Demonstration Area, so be sure to let us know if you have something new and exciting to share with attendees.

This “Working Trade Show” concept has been a great success the past few years and we appreciate your support as we continue to explore what a trade show can be!
