

## ORCA Offers CERTA Applicator Training at Working Tradeshow!

The CERTA training program is ideal for contractors whose work involves torch applications. The full-day program trains experienced roof system installers on the safe use of roofing torches used to apply polymer-modified bitumen roofing products. CERTA training shows how proper roof system configuration design and application techniques can result in fire-safe installations. For more information visit: <https://www.mrca.org/aws/MRCA/pt/sp/certa>
