The Wisconsin Frame Builders Association is an organization of builders and suppliers in the post-frame (wood) construction industry. We believe in producing buildings that are properly engineered, efficiently designed, functional, sturdy, and aesthetically impressive, with builders who are dependable, capable, ethical, and knowledgeable.

We are a group of builders, affiliates and suppliers whose business is supplying materials and the construction of frame buildings for the Wisconsin Consumer.

Associate Membership.....Annual Dues \$175

A Proprietorship, partnership, or corporation which is involved in service and/or materials and equipment supply to the industry within the State of Wisconsin. An Associate Member has full voting powers.

Affiliate Membership.....Annual Dues \$35

An Affiliate Member is one who is associated with a Builder or Associate Member. An Affiliate Member will receive all newsletters and other mailings. An Affiliate Member has no voting powers.

Platinum Membership Upgrade.....Annual Dues \$300

The WFBA Platinum Membership is a voluntary membership upgrade available to builder and associate members for an additional investment beyond annual dues. This investment directly supports research and education within the post-frame industry. Platinum Members receive a dedicated social media post, a button ad on the WFBA website linking to their website, a Platinum Member emblem in the online directory and a \$35 contribution to the Emergency Relief Fund.

Membership Benefits

Discounted Event Rates: Members receive reduced registration fees for all WFBA-sponsored events, including the Annual Conference and Tours.

Annual Tours: As part of the Annual Convention, members tour cutting-edge construction sites and manufacturers' locations that showcase the latest in post-frame design, engineering, and industry materials and products.

Dealer Showcase: Associate members can promote their products, services, and innovations by exhibiting at the Annual Conference — a key opportunity to connect with industry decision-makers.

Annual Conference: Stay informed on industry trends through expert-led sessions covering code updates, engineering practices, testing, business strategies, and more — shaped by member input.

Hall of Fame Awards: This honor recognizes individuals who have shown exceptional commitment to the post-frame industry and to the growth of the WFBA. Awards are presented annually at the Conference, with nominations accepted year-round.

WFBA Building of the Year Awards: Celebrate excellence in construction. These awards recognize outstanding post-frame projects across Wisconsin, offering winners industry recognition and marketing exposure.

Website Directory: Our online member directory makes it easy for customers and partners to find and connect with you as a trusted professional in the post-frame community.

WFBA Logo Use: Current members may display the WFBA logo on business cards, signage, websites, apparel, and more — a mark of credibility and professionalism.

Industry Advocacy & Code Issues: Together, WFBA members present a unified voice on critical industry matters, including building code development and regulatory concerns.

Professional Networking: Expand your industry connections. WFBA hosts two major events annually, offering opportunities to strengthen existing relationships and build new ones.

Support for University Research: WFBA partners with the UW-Madison College of Agricultural and Life Sciences to support ongoing research that benefits Wisconsin's post-frame industry.

National-Level Representation: In collaboration with the National Frame Building Association, WFBA advocates for members on issues such as OSHA compliance, lobbying, and national code standards.

Full-Time Staff Support: WFBA members enjoy direct access to a dedicated staff team, available year-round to answer questions, provide resources, and ensure you're getting the most out of your membership.
